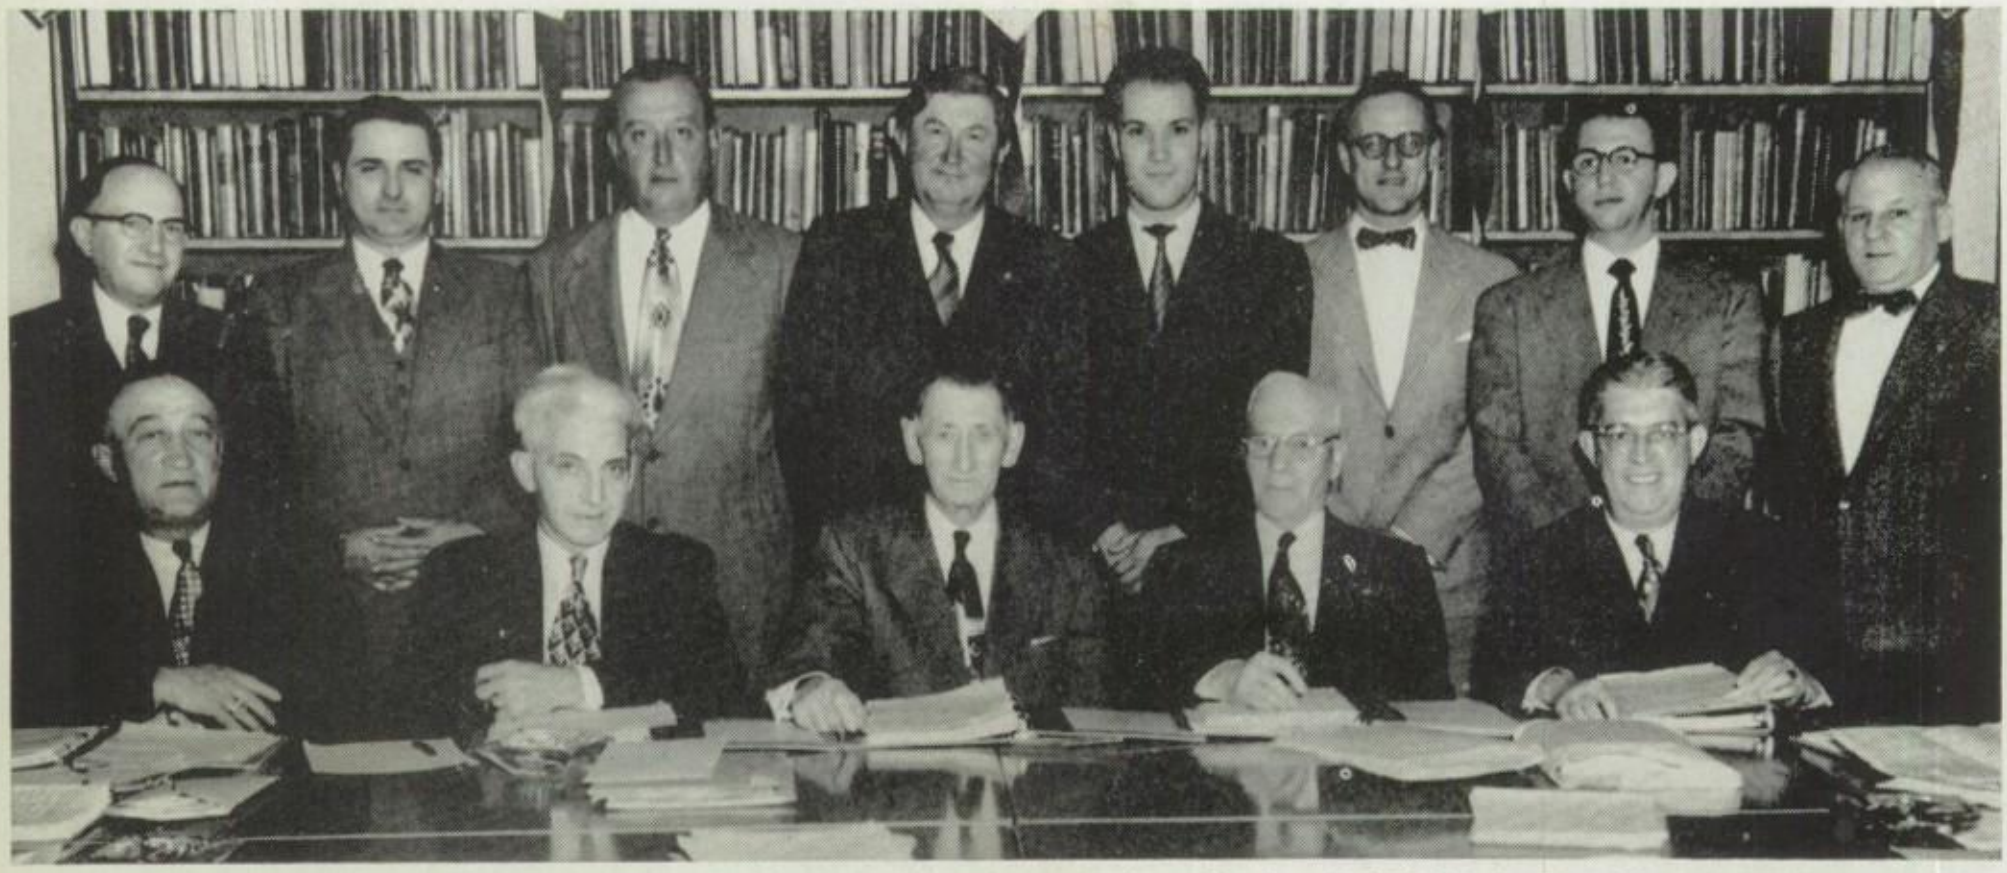
The Trails To Knowledge Are Clearly Blazed -



Standing: Dr. George A. Eichler, *Superintendent;* Russel S. Becker, Charles H. Newhard, *First Vice President;* Stanley Easterday, Ralph Eckensberger, Jerome W. Burkepile, Jr., *Solicitor;* Kenneth Haidle, Robert L. Jones.
Seated: Howard G. Raubenhold, Paul O. Bachman, *Secretary;* Robert D. Schaffer, *President;* Claude E. Troxell, *Treasurer;* Eugene Milham.
George C. Newhard, *Second Vice President,* was absent when picture was taken.

As we come to the close of another eventful school year, we feel much has been done for the educational advancement of our boys and girls. Improvements have been initiated which we hope will better prepare our youthful citizens to take their place in life.

Important changes were again made in the school plant. New physics and chemistry laboratory equipment was provided; additional shop machinery was purchased; new seating facilities were installed at the Wolf Athletic Field; and other improvements were made in all our school buildings.

We as a Joint Board of Directors owe our success to the fine cooperation of all our Board members, our Superintendent, our Principal, and the entire staff. We earnestly hope this spirit will continue in the future, and that all citizens and alumni of this area will give their support to our schools and our undertakings as we strive to achieve the best in education.

ROBERT D. SCHAFFER,
President

Miss Racheal Nicholas and Miss Phyllis Vandegrift efficiently manage the affairs of the School Board and the Superintendent's office. With it all they have time for our problems, too.

George A. Eichler
A.B., M.A., Ed.D.

Superintendent of Schools

How proud we were on October 30 to learn that our Superintendent had become this area's first recipient of the Boy Scout Silver Antelope award. This honor was conferred upon Dr. Eichler during the Region 3 session in Atlantic City in recognition of his work for the Boy Scouts of America and the United Lutheran Church. Only a few persons have received such recognition in our district which includes Pennsylvania, Delaware, Maryland, Virginia, and the District of Columbia.

A glance at the record proves Dr. Eichler was worthy of this award:

EDUCATOR—Superintendent of Northampton schools twenty-three years; President of Penna. School Superintendents, active in N.E.A.

CHURCHMAN—Past President of Lutheran Brotherhood Ministerium of which he is also life member; Adult Bible School teacher for twenty-three years.

PUBLIC SERVANT—Post Commander of the American Legion; Past President of Rotary Club; Chairman of Draft Board; member of Teen Age Board; presented with 1953 Golden Deeds award by Exchange Club.

SCOUTER—Twenty-year veteran; Council Leadership Training Chairman and Executive Board Member; Chairman of United Lutheran Brotherhood of America; Boy Scout Committee since 1947; Boy Scout Editor in Church Magazine "Lutheran Men"; Silver Beaver Award 1941.

Congratulations from all of us, Mr. Superintendent.

Mrs. Eichler presents Dr. Eichler with the Boy Scout Silver Antelope Award.

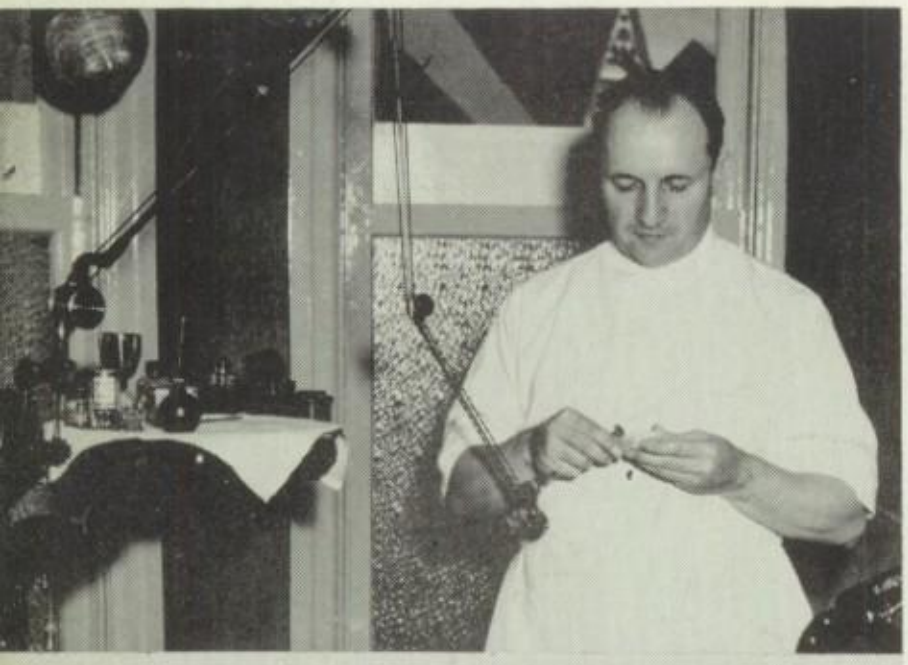
Our November Open House event is more than a social visit for Mother and Dad and the teachers. This is the time to examine that class record book and find what makes Joe Jr. tick! At the left we find Mr. Robert Neubauer doing just that for his visitors.

To Develop Physically -



Our friendly medicos and their competent nurses combat the physical dangers of our climb. Regular yearly check-ups for students and teachers means busy days for our medical staff. Besides keeping us in good health, they check the physical condition of our athletes and are ready to meet any emergency.

To Live The Good Life -

Good living includes good food, the kind that our very efficient dietitian, Mrs. Mary Zirinsky, plans for us. Our kitchen staff prepares savory specialties which keep us healthy, happy, and hopefully hep to the day's doings.

When it comes to maintenance, see our efficient custodians. They will climb to any heights to keep our schools in tip-top shape.

And Always to Seek New Heights to Conquer

Mrs. Nellie Sloyer, president of the Northampton Branch of the P.S.E.A., welcomes Mr. Herbert Lauterbach and Prof. Watkins to Northampton's first workshop.

The P.S.E.A. Workshop Proves Stimulating For All

November 5 marked the initial Workshop day for Northampton teachers. Our faculty spent eight very interesting hours studying the functions and activities of the professional organization, The P.S.E.A.

Mr. Herbert Lauterbach of Harrisburg, Asst. P.S.E.A. Executive Secretary, delivered the keynote address. Prof. Watkins of Lehigh University; Mr. Millard Gleim of Bangor; Mr. Edwin Clauss, Allentown; Mr. Richard Hess, Whitehall; and Dr. G. A. Eichler, Northampton, were special consultants for the group study sessions.

Following a fine dinner in the Flamingo Room, reports on all sessions were given to the entire staff. Prof. Watkins gave the concluding workshop evaluation.

Class motto:
How much better it is to get wisdom than gold!

It was a familiar path—one traveled by thousands of students—all seeking the same goal, a high school education. To 190 venturesome sophomores, though, the course seemed new and unchartered. We proceeded first to elect our guides. Then began work with herbariums; a few of us were introduced to the secrets of print shop; the hesitant clatter of first-year typists was heard in the halls; and our boys were bringing in honors in the field of sports.

Our junior year travels brought privileges—Learner's Permits were issued to our future safe drivers. There was a gleam in our eyes as well as on our fingers when a 144 juniors received their class rings. The Junior Speaking Contest, held on February 19, 1953, proved to be a highlight of the year, with our eight selected juniors orating brilliantly. Hayrides, dances, physics class trips, "Courtesy Week," tussles with shorthand and German rounded out a full year.

After a climb filled with both pleasure and work, here we are—139 Seniors—at the pinnacle of our 12 years of travel along the paths of knowledge, recording our memories and desires between the covers of this, our favorite book.

Annex Where 121 Scholars Mix Learning With Fun

One hundred and twenty-one teen-agers gaily swinging along the streets of Bath on a Thursday afternoon might puzzle a visitor. These are the Wolfe Junior High School students enroute to a regular biweekly assembly in the local Firemen's Auditorium.

Actually the Wolfe School is an annex to our own junior high school, offering the same subjects, a varied club program, and special social events.

As loyal members of N.A.J.H.S. they join our students in presenting the annual Spring Music Festival.

Blazing The Trail

Clubs And Curriculum

We Prepare To Conquer New Heights As We

So this is the wet spark plug technique!

Advancing along the pleasant paths in learning, we suddenly find our main trail branching into four separate courses—the college preparatory, the secretarial practice, the clerical and sales, and the industrial arts. These well-defined courses will prepare an ambitious student to reach new heights in any chosen career.

Our curriculum also offers special instruction in library work, guidance, and driver training. Our fine library of visual aids enriches all classes and gives us a better understanding of anything from taxes to dating.

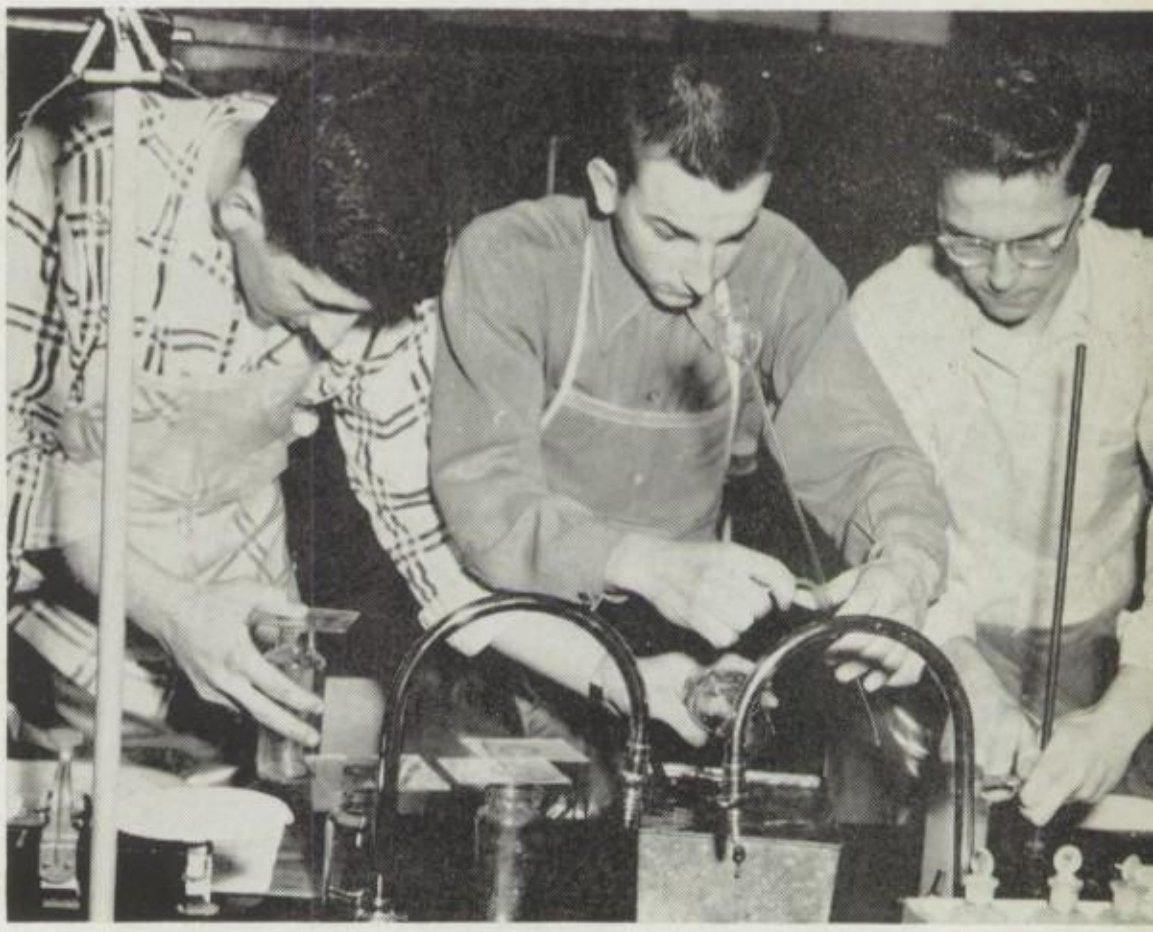
Top picture—Seniors bring career problems to "Mr. Guidance" himself.
Lower picture—Yes, boys, this opaque projector will flash your English compositions on the screen!

Approach The Perilous Peak Called Science

As we trek along the path of science, the mystery unfolds in seventh grade with the study of plants and animals; in eighth grade, flowers and birds; while in ninth grade we study the stars.

The sophomore year brings biology with its hebariums and dissections. Juniors digest the formulas and equations of physics, while seniors evaluate chemistry experiments.

Remodeled science rooms and new equipment give our future doctors and nurses a good start.



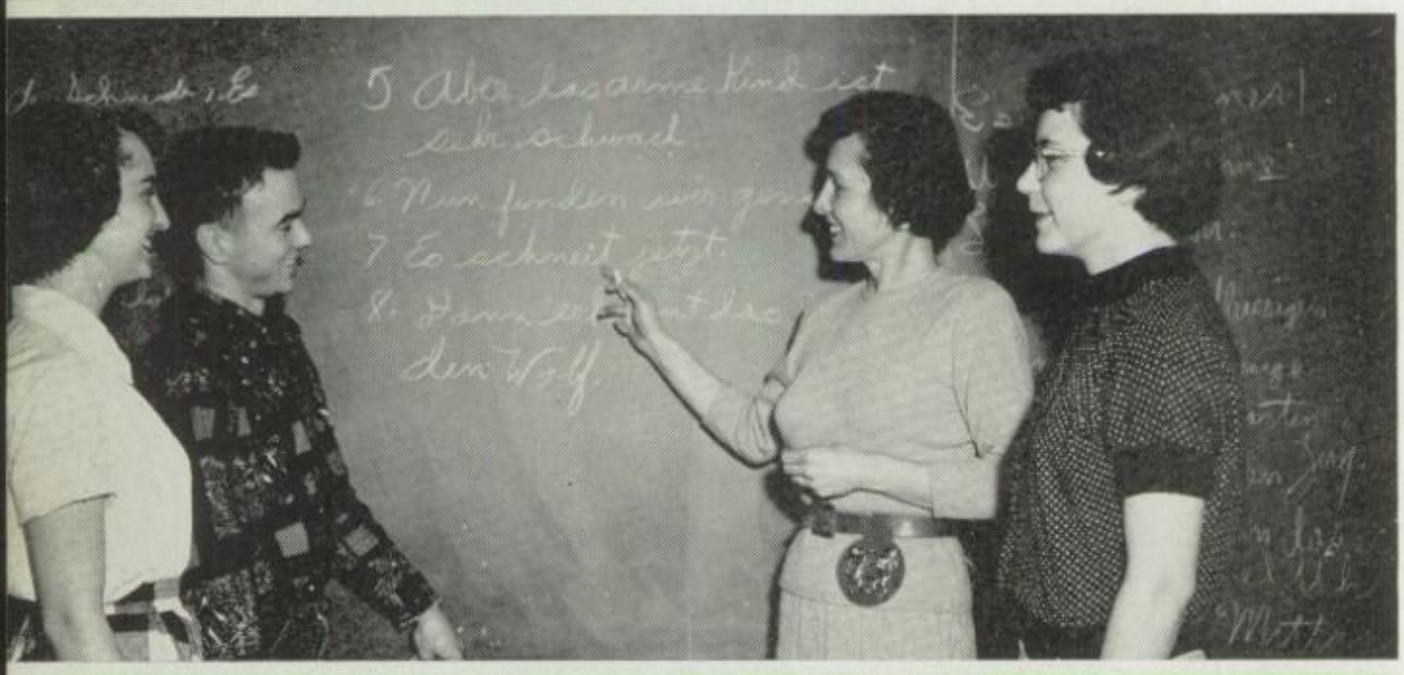
Soap suds or witches' brew?

Top picture—Getting the inside facts on our fine feathered friends.
Bottom picture—Solving Einstein's equations on relativity.

Next A Cairn Marks The Route To Language

English—the language of our people—is a basic tool in our journey to knowledge. To understand any subject well, we must first understand English. From kindergarten to our senior year we stress good habits in speaking, writing, and reading. We meet the world's great authors and gain from each new thoughts to enrich our own thinking.

In Room 14 we tour Unter Den Linden with new German acquaintances, while Room 25 is a veritable journey along the Appian Way. Both languages gives us grammar, literature, history, folk customs and culture—and an occasional gay song fest.



Picture top left—The high light in junior Latin class is the Roman banquet. Puellae et Pueri "do as the Romans do."

Ist das nicht eine Deutsche Klasse? Yah, das ist eine Deutsche Klasse.

Our English composition folders follow us from seventh to twelfth grade. They show all our vices and virtues as budding authors.

While Another Leads Us To The Social Sciences

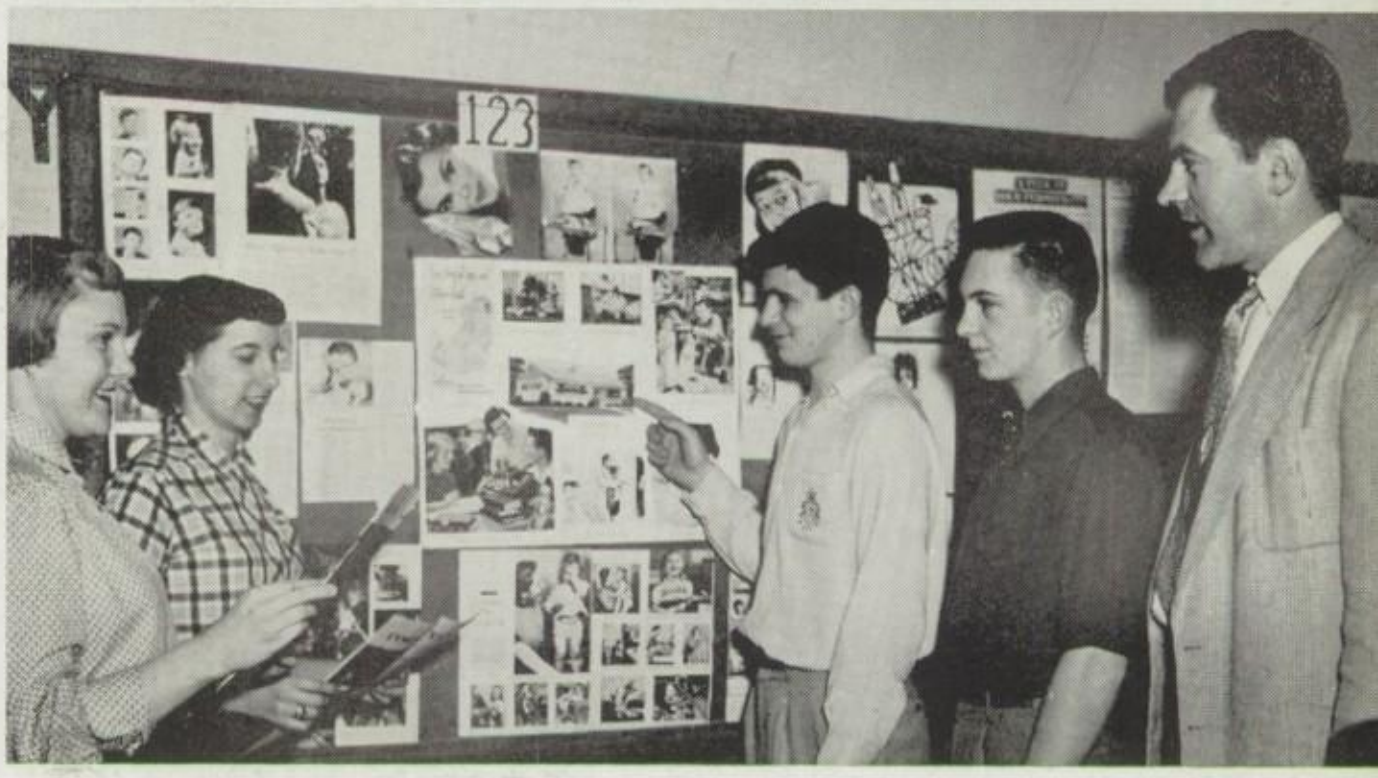
Traveling in the realm of history, we explore the foothills of culture by studying Ancient History in seventh grade and World History in tenth.

Climbing the dangerous slopes of civilization, our pride in America is deepened and strengthened by our studies in American History in eighth and eleventh grades.

Finally through our ninth grade civics and our senior problems of democracy and social living classes we learn the real meaning of government of, by, and for the people.

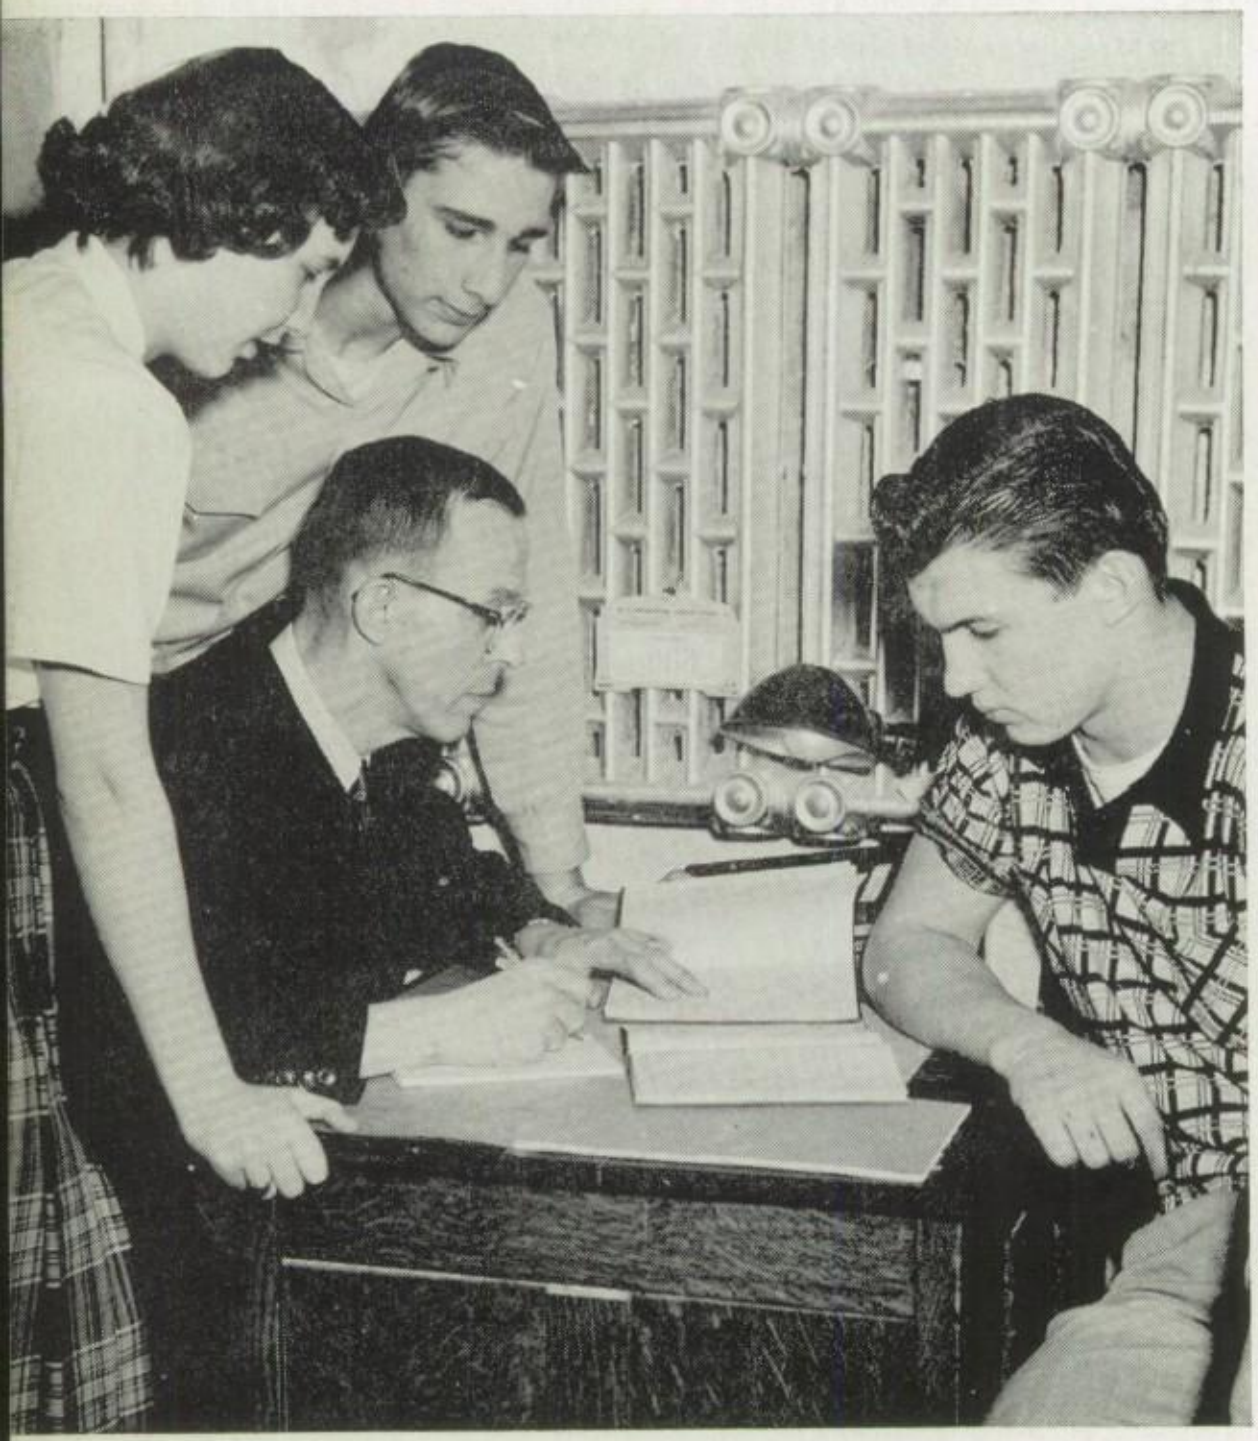
Picture at top—Zero hour for P. of D. note books.

Mrs. Sloyer exhibits part of her world of pictures.



How's your P. Q.? In social living we study personality quotients.

We Leap The Exciting Crevasse, Mathematics,



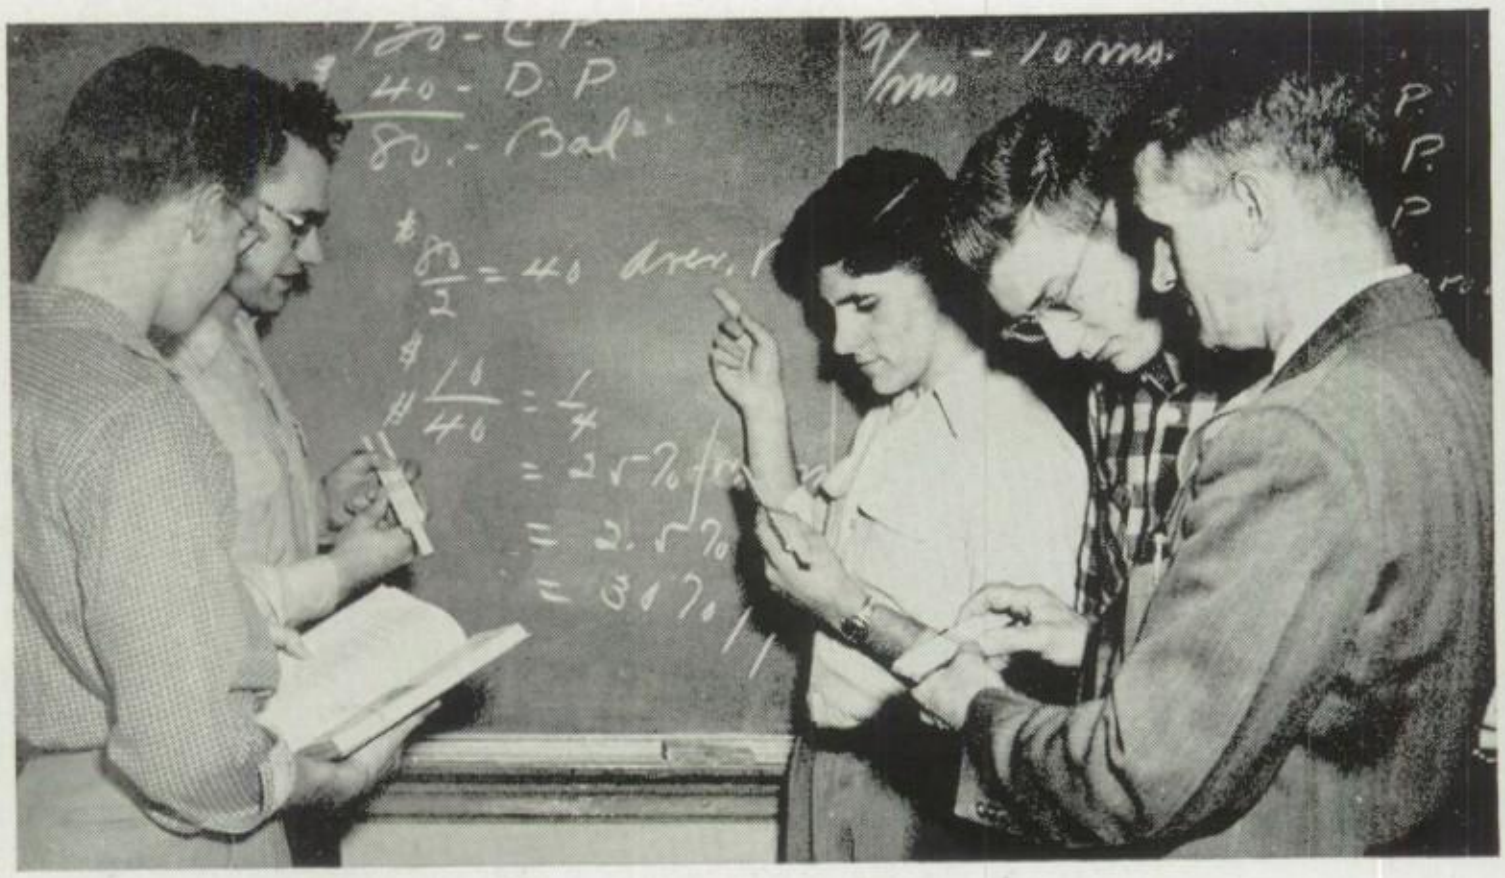
Trick or trig? Math experts in a huddle.

We begin our number science journey on the easy, level path called arithmetic which soon branches into mathematics. Ninth graders find the going a bit rough as they get a toehold in algebra.

Soon college-minded sophomores struggle with equations and unknowns while business-minded sophs learn the complexities of compound interest.

Juniors discover theorems and the value of good reasoning in plane geometry classes while seniors find solid geometry and trigonometry the peak of high school math training.

Industrial, clerical, and secretarial students scale mountains of business problems in their march through the text books. No financial tangles in the future for us, we hope!



Plenty of slide rule work for these engineers.

And Dig Our Crampons Into The Peak of Business

The satisfaction of setting a new speed record in shorthand or typing, or balancing a bookkeeping ledger, or conquering the comptometer in office machines makes the struggle in the business department worth all the blood, sweat, and tears.

Here, too, we polish our selling techniques, sharpen our law faculties, and practice being real secretaries by becoming some teacher's stenog. We are definitely in the "purple"—the purple of the ditto machine.

At Last Bivouac, And Time For The Leisure Arts

Industrial arts find a welcome place in N.A.J. H.S. Touring through the wood shop, one might find an archer's bow, a fine cabinet, or even a soap box derby racer in some stage of development.

Next door metal tooling machines are in constant operation. In order to stress safety, students are trained, then tested, to prove their capability in handling the various drill presses, lathes, planners, and saws. Leather craft and drafting are also used in the training of fine craftsmen.

Our art department develops a variety of skills—oil and water color painting, block printing, poster work, and ceramics. These are just a few of the mediums which engross the art-minded student.

And Homemaking In Grand Style - And Food

Here in our handsomely furnished homemaking department we learn sewing from the fundamental stitches and correct pattern selecting to actual designing. There is additional instruction in stenciling, flower arranging, gift wrapping, baby sitting, and personal grooming.

Designing and making costumes for school dramatic affairs is a part of our work. Christmas Vesper costuming is our biggest project of the year.

In the cooking department we travel from the simple breakfast to cooking and serving full course dinners, elaborate lunches, and teas. Consumer buying, correct use of fine kitchen and laundry equipment helps us to be thrifty, intelligent homemakers, with cleanliness as one of our virtues.

Pictures at left show our homemaking girls—

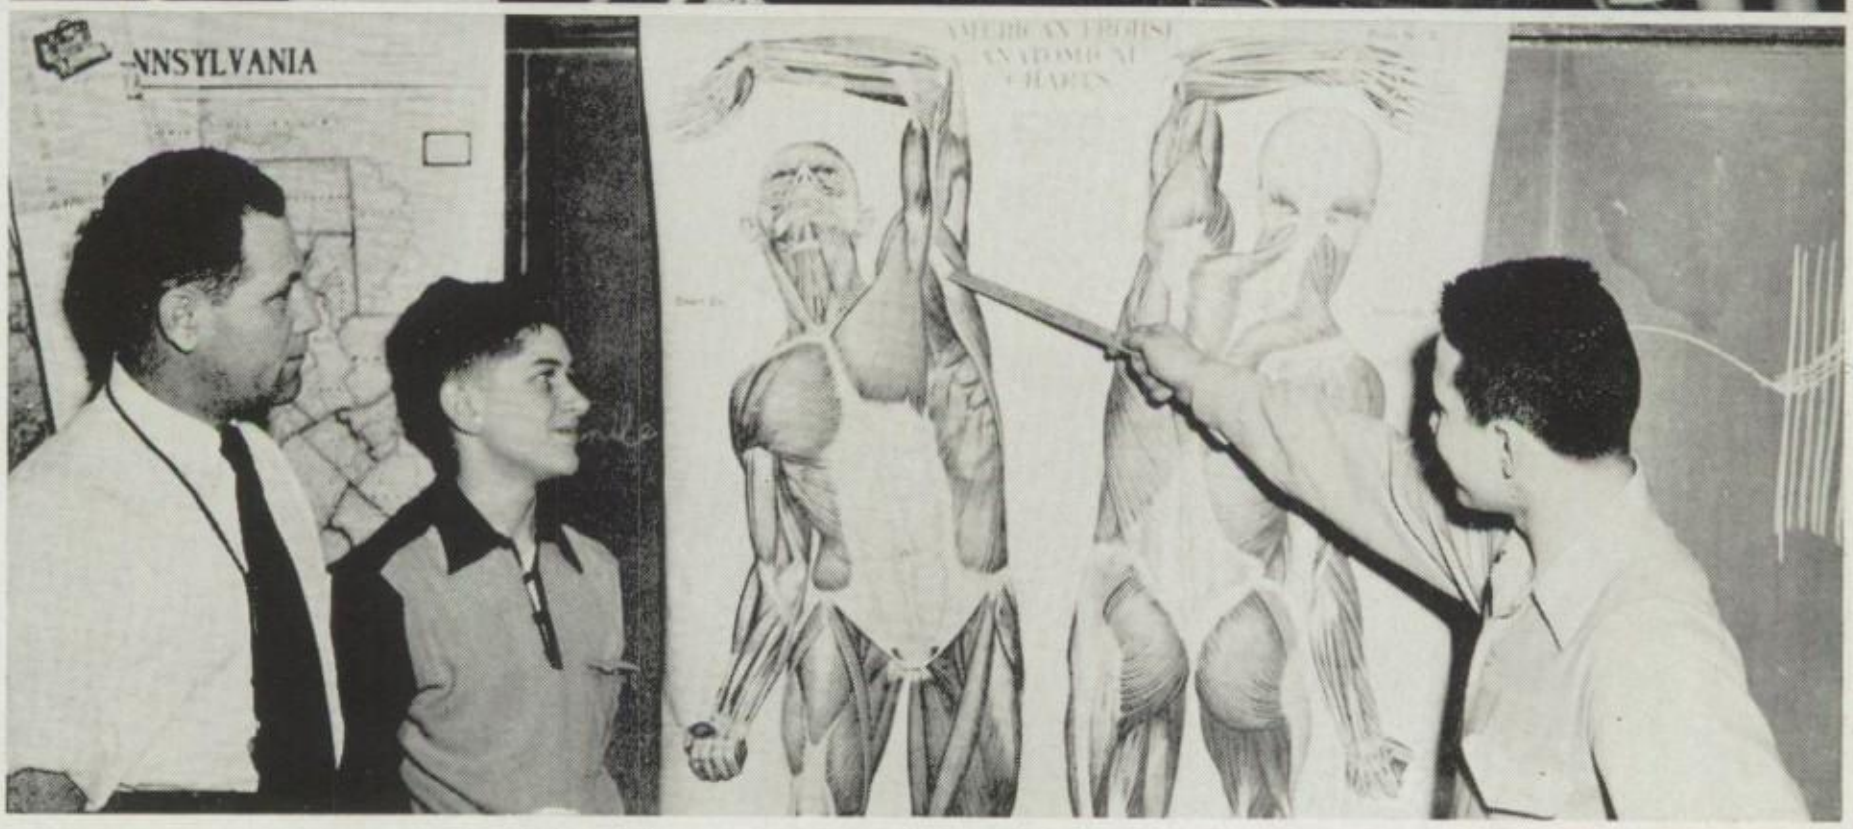
Music And Song Make The Climbing Easier

In senior high school we concentrate on music appreciation and encourage attendance at symphony concerts and operas. Special instrumental and vocal training is available for all interested students. Our school musicians entertain civic organizations throughout the Lehigh Valley.

Top—District Band members tune up for the Orwigsburg Festival in February.
Bottom—District Chorus songsters vocalize for the Wyomissing Festival in January.

While Physical Fitness Helps Us To Reach The Top



Top—Trampoline enthusiasts walk on air!
Bottom—Zealous health students study their flexors and extensors.

Physical education is of paramount importance in our program of learning today. On the serious side we study the principles of healthful living, the rules of safety in everyday life, methods of first aid and lifesaving. On the gayer side our training is studded with play games, dancing, and sports—activities which are really physical education in disguise.

Good health and good character are twin goals for all students. Here we have the opportunity to develop leadership, self-control, and good sportsmanship in working as a member of the group.

As a major school activity directly concerned with training for democratic living, our *Student Council* offers an excellent opportunity for student participation—a vital requirement in citizenship training.

Various projects which kept our school leaders on the go were—planning the Thanksgiving pep rally, filling Junior Red Cross boxes, sponsoring a wrestling demonstration, arranging a day's visit for a foreign exchange student, conducting a safety crusade, and finally planning a gala spring semi-formal for us all.

We naturally look up to our VIP's—those Very Important People who become members of the *National Honor Society* by special invitation.

Keeping in mind the ideals of good citizenship—Scholarship, Character, Leadership and Service—these students plan activities which will benefit the entire school. Their "Harvest Hop" officially opened the social season, while the "Snow Swirl" ushered in a gala Christmas party for the seniors. Theatre parties, a bowling session, and picnics are special treats for the VIP's.

Community High Standards of Christian Character.

The Tri-Hi-Y clubs spend a busy year on their varied projects which aim to improve our school and our community.

The tenth grade Gamma and Alpha Tri-Hi-Y's serve regularly at the Haff Hospital, contribute food to needy families, sponsor school dances, serve refreshments at athletic events and enter two floats in the Jack Frost parade.

The Beta Tri-Hi-Y, which is the eleventh grade club, finds time for Haff Hospital service and a lively recreational program.

The senior Zeta Tri-Hi-Y packs the year with activities which include organizing a Safety Campaign, sponsoring Good Sportsmanship Week, participating in the Tri-Hi-Y clipping contest, selling "Turkey Game" corsages, planning dances, contributing to needy families, and serving at the Haff Hospital.

All Tri-Hi-Y clubs assist with the Red Cross box project, send their delegates to conferences, and hold their scheduled Teen Talks for seven weeks. This year the girls added a new task to their service record by canvassing the community for the Red Cross drive.

They endeavor to bring us the best in music in their special programs, Christmas Vespers and the Springtime Music Festival.

One of the outstanding musical organizations of our school is the *Girls' Ensemble,* a select group of our best voices. They please music lovers throughout the Lehigh Valley and hold a coveted record of four first place ratings in State Music Contests. Hours of after school rehearsals with "Mom" Santee is the secret to Ensemble success.

A Dazzling Sight - The Black And Orange On Parade

With a fanfare of martial music the *N.A.J.H.S. Bandsmen* march to the small practice field for a daily drill session. Good half-time shows on football days mean hours of practicing for musicians and director, Mr. C. James Kocher.

Hallowe'en parades, next on the band agenda, bring not only fun and frolic but also blisters and bunions.

After Thanksgiving our musicians turn to concert music as they prepare for school performances, and the important spring concert.

Outstanding instrumentalists have the privilege of representing our school at District and State Band and Orchestra Festivals.

Finally the "Black and Orange" rounds out a full year's program with three concert appearances at Dorney Park on Northampton Day.

Wild In The Fine Forests Of Pennsylvania

"Hold him! He's heading for the rocks!" For "reel" sportsmanship in the hook, line, and sinker art see our piscatorial perfectionists, *The Fishing Club* members, and their adviser, Mr. Lisetski. Fly tying, bait casting, stream stocking are all part of their game.

To prove that the big ones don't get away from our seniors, here is Stephen Gasper with his eight and a half pound bass. Man, that's 23½ inches of fish!

There are proud, happy smiles the day the *N Club* issues the 1954 varsity sweaters to the new three-letter men. Selling booster tags, planning the program for the "Turkey Day game", sponsoring a dance, and presenting a minstrel show are the major activities of these club members who earn their "N's" and their club eligibility the hard way. With "Good Sportsmanship" as their motto, they become our top morale boosters on the sports scene.

Football Clinic, on the other hand, is organized for the sole purpose of teaching football in detail. This is done by running plays and studying films of previous games. Clinic is a must for football men.

Calendar of Activities

'Tis Autumn - The Time For Schedules And Books

Senior winners in the Pennsylvania Week homeroom contests were Ruth Lapp, Lorraine Miller, Shirley Werkheiser, and Joe Nemeth—authorities on our Keystone State.

The Teen Age Center winter season is off to a good start with these new officers at the wheel. Ruth Uherick, secretary; Joanne Boyer, vice-president; William Fields, president; and Shirley Teada, treasurer.

Our Lyceum programs had a dramatic beginning as Ray and Lucille Baille demonstrated stage make up between the acts of *Sweetheart.*

And Happy Cavorting With Mr. Jack Frost.

New Orleans Mardi Gras had nothing on us the night of October 28, when Main Street and Washington Avenue were transformed from stately avenues of traffic to a hub-hub of gay, colorful costumes and masks.

Leading this grand parade was our lovely Queen, Rosemary Hutterer and our handsome King, Keith Newhard, winners of the popularity contest. These titles were bestowed on them at the Pre-Jack Frost Coronation Dance which was held at the Memorial Community Center. Dick Clark, a well known personality on radio station WFIL, crowned the lucky winners who reigned over the dance and parade.

Pictures speak louder than words. At top right we have our royal couple.

The second picture shows our royal court which included: B. Kleppinger, D. Rosencranz, S. Santee, D. Howells, R. Fehnel, and D. Lutte.

At bottom left we have the school—community committee which planned the gala event. Reading from left- **Mr. Marth,** Mr. Milham, Mr. Guss, Mrs. Wanisko, and Mr. Berg.

Bottom right shows us all stepping high to the music of the Orkets and the Harmony Kings.

November Brings Book Week, Open House, Lyceums,

Barbara Kleppinger, senior high school book week contest winner, lists her favorite authors for our proud junior high winners, Joan Wieand and Patricia Schmidt.

Peggy Burkhardt and Stella Wanko spread the "Welcome Mat" for our many visitors at November Open House.

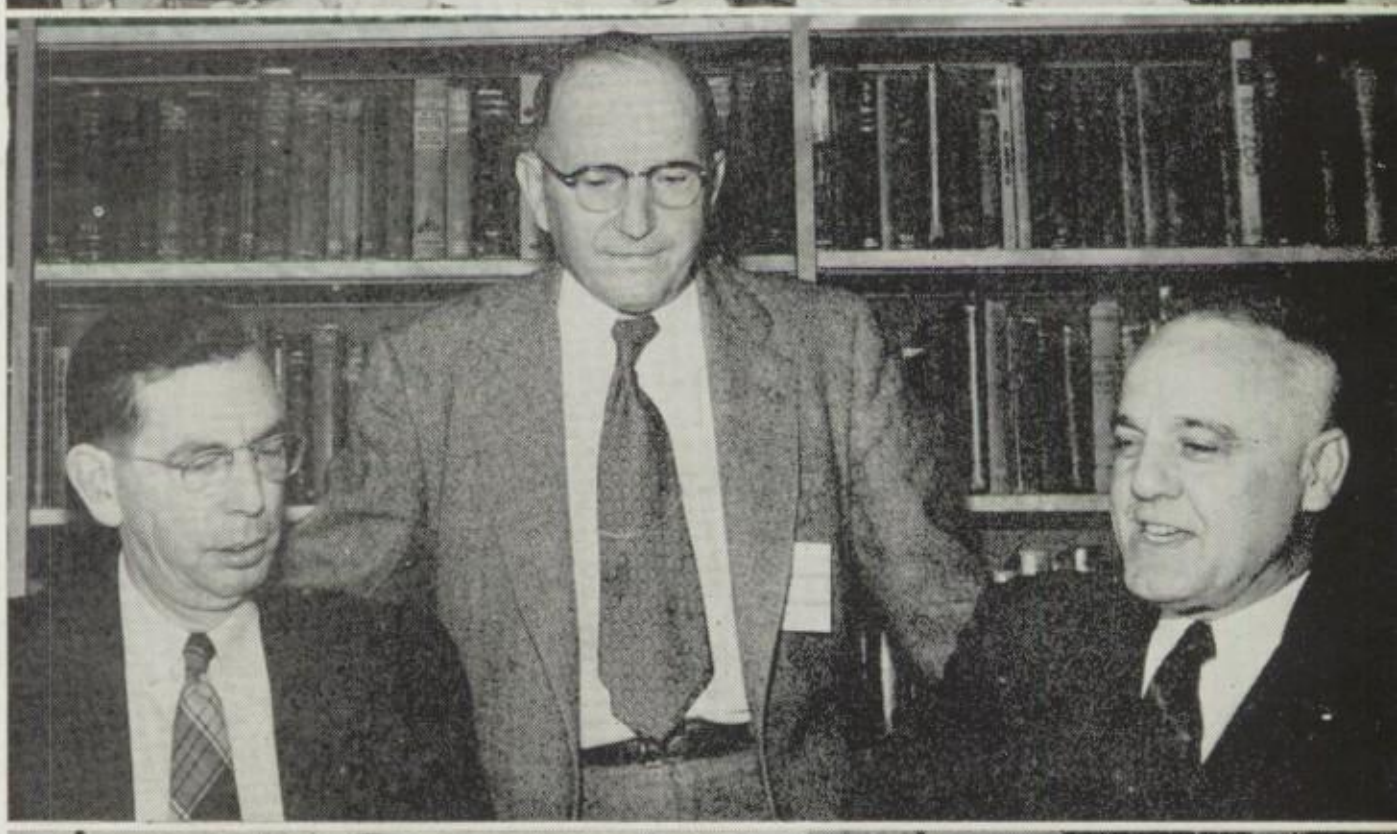
Our second Lyceum took us on a lilting, fascinating journey to Mexico with Senor and Senorita Darci, who interpreted the wonderful Mexican folk dances for us.

What gives here! Zounds! Our dignified P. of D. prof demonstrates real international relations as he trips the Mexican Hat Dance. Dig that style! Now that's current events as we like it!

Conferences, B-E Day, And Safety Crusades

Tallying results in the driver and pedestrian *Safety Crusade* was exciting work for our Crusade leaders: Standing—Joseph Meltsch, Franklin School; Robert Bowen, Washington; Mary Ann Vasilawsky, Wolf; and Joseph Yurish, junior high school.

Seated—Barbara Kleppinger, senior high school; and Mr. Edwin Berg who spearheaded the drive.



Dr. George Eichler welcomes local businessmen to N.A.J.H.S. for our seventh *B. E. Day* observance.

Seated are Mr. Paul Lentz, president of the Chamber of Commerce, and Mr. Eugene Bertin, Assistant Executive Secretary of the P.S.E.A.

Our *Career Conference* speakers gave us valuable information in our November 12 assembly.

Standing—Dr. Bucher of Elizabethtown College; Mr. Lerch, school guidance counselor.

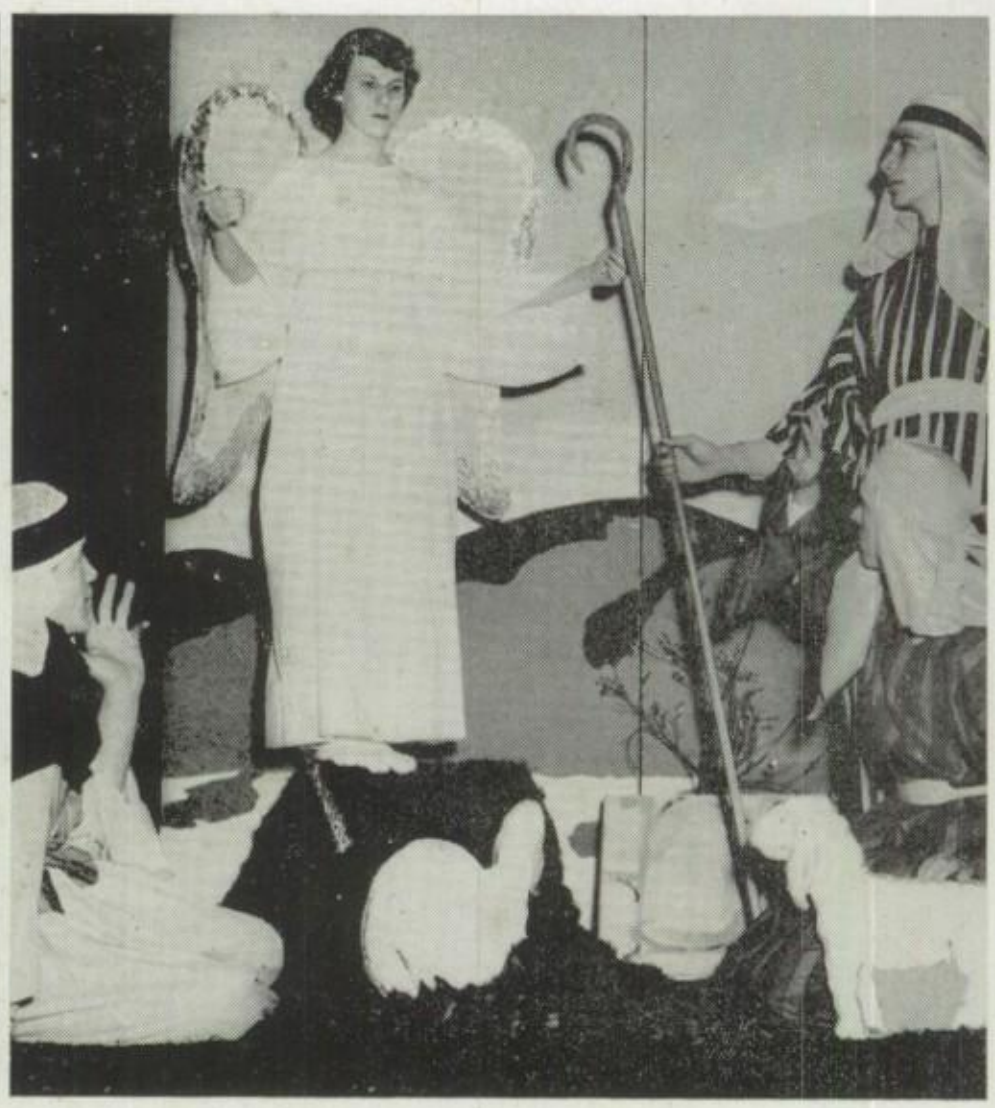
Seated—Mr. Barron representing the Dragon Cement Company and Miss Geitzinauer, representative from Bell Telephone Company.

In Our Halls Sweet Carols Ring

Christmas Vespers! These are words of magic to all our students. They mean long hours of hard work that bring a bountiful reward.

Melodious carols of Polish, Slovak, English, and French origin highlighted the 1953 program, with negro spirituals adding a special tender quality.

Directing the music were Mrs. Thelma Santee and Mr. C. James Kocher. Mrs. Nellie Sloyer was in charge of tableaux and speakers. Everyone assisted in some way to make this the most inspiring performance of the school year.

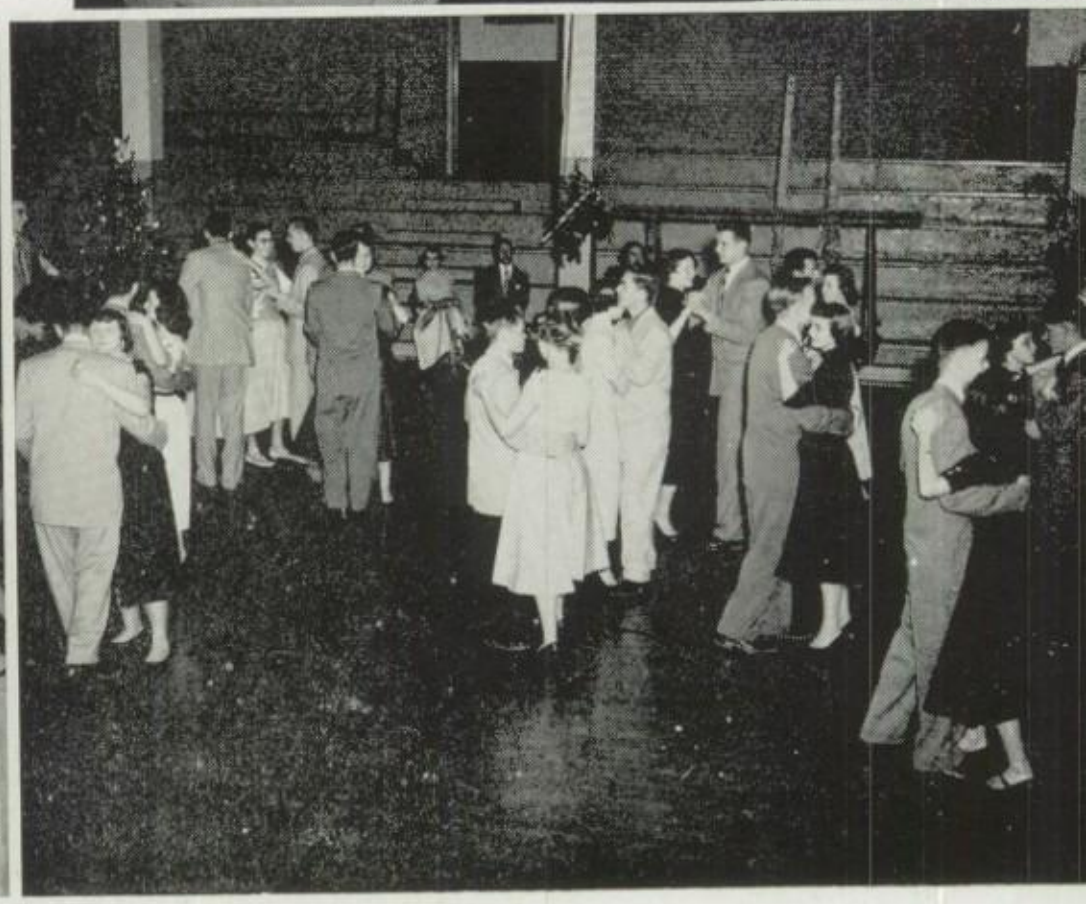


The Girls' Ensemble adds brilliance to the Christmas Vesper service.

Speakers and tableaux bring us the beautiful Christmas story.

December Brings A Special Treat For Seniors

'Twas the night before the Senior Christmas Party—and all through the Burkhardt's household National Honor Society girls were stirring to prepare luscious goodies to tempt our palates. Came the night, and there was dancing, singing, games, and good fellowship around the senior Christmas Tree.



And Jolly, "Happy" Dayze" For All of Us.

Miss Helen Newhard does the honors at the teachers' Christmas Tea as she serves Mrs. Pauline Funke, Chairman of the social committee.

"To the victor . . ." and so Room 14 enjoys the ice cream and coke party given to the senior homeroom with the record *Amptennian* sale.

Our last Lyceum proved to be a real treat. Art Jennings, a top vaudeville star, appeared as "Happy Dayze" in "The Psychology of a Clown."

Between laughs we learned much that was worthwhile. Thanks, "Happy", for teaching us —"Good, better, best—never let it rest, until your good is better and your better is the best."

Senior Players

What would you expect when on January 27 and 28 two angels, Wilfred and Agnes, with their heavenly hitchhiker, Pilone, land right in the middle of the Northampton Area Joint High School stage in the rollicking comedy *Down to Earth*, by *Bettye Knapp*.

Complications set in when these heavenly sprites attempt to pick up two elderly souls, Herman Howell, a witty, retired sailor, and Augusta Applegate, a wealthy, sarcastic spinster. There is excitement galore when the mischievous Pilone embarks on his many pranks.

Two appreciative audiences enjoyed the hilarious performances by our excellent senior cast. These would have been impossible without the fine cooperation of the people behind the scenes and the superb directing of Miss Marian Laubach.

Man's Right To Knowledge And The Free Use Thereof

Mr. Ivan Schneck, program sponsor; Miss Vera Lidtke, Mr. George Boyle, Lehigh County Americanization director; Miss Blu Smith, Student Council president.

Congratulations to a great University on its 200th Anniversary! Columbia University could not have chosen a more pertinent theme for this great occasion than "Man's right to knowledge and the free use thereof."

This fact was brought home to us most convincingly after Miss Vera Lidtke, a native of Riga, Latvia, and now a senior at Cedar Crest College, addressed our student body. Here we had first hand knowledge of life under a dictator regime with every facet of life under government control.

One month later we were again made aware of our rights and privileges as Miss Anna Marie Glasser spoke to us about education in Bavaria. At present Miss Glasser, a high school exchange student, is attending Allentown Central Catholic High School.

We realize more clearly than ever that as loyal Americans we must cherish our liberties—particularly the liberty to know and to say what our conscience bids us say.

Sincerely we wish God speed to Columbia rights.

University in her struggle to preserve these

Our editor shows Miss Glasser, center, and Miss Smith some true Penna. Dutch hospitality.

February Highlights

The most important event on the February calendar was the formation of Northampton's first Parent-Teachers Association. February 19 saw its inception with the election of a fine slate of officers:

President .....Mr. Lester Reimer
Vice-President.....Mr. William Laubach
Secretary .....Mrs. Donald Laub
Treasurer .....Mrs. Charles Sieger

We extend best wishes to our fledgling P.T.A., its officers, and the 164 charter members for success in all their endeavors.

Standing—Mr. William Laubach and Mrs. Charles Sieger.

Seated—Mrs. Donald Laub and Mr. Lester Reimer.

"Clean Waters Mean Better Living In America" was the title of the essay contest sponsored by the Federation of Sportsmen's Clubs of Northampton County. Little did our ninth grade English students dream that from Miss Weed's English assignment would come state and national recognition for some of them. Happy winners at the left are:

Standing—Dianne Rinker with honorable mention in the district contest, Dorothy Scholl with third place in the district contest.

Seated—Margaret Kozero, who received first prize in the district, third prize in the state contest, and was one of ten honorable mentions in the national contest; Claire Jones, who received second prize in the district and first prize in the state contest.

Congratulations to these budding writers and their teacher, Miss Laura Weed, for a job well done.

More winners here! Mary Ann Young, who will represent us at the State Chorus Festival in Meadville, and Frances Lisetski, our entrant in the State Band Festival in Norristown, congratulate big Joe Keglovits, finalist in the N.A.J.H.S. Spelling Contest, as he prepares to represent us in the Call-Chronicle Lehigh Valley Spelling Bee.

Spotlights Gleam On Eight Junior Speakers

Standing—Roger Seremula, Herbert Engler, Miss Arlene Kocher, adviser; Ben Amato, and Paul Schindler.
Seated—Barbara Kleppinger, Joan Gehret, Mary Jane Temos, and Dwaine Roberts.

The rustle of silks, smart new suits, the smell of red roses, the nervous pacing of eight high-strung speakers could mean only one thing—Junior Speaking Contest time at N.A.J.H.S.

Our eight speakers literally lived their class motto, "Let us go on into perfection," as they gave us a contest filled with dramatic moments.

The judges—Dr. Andrew Erskine of Muhlenberg College, Miss Marjorie Mays of Pen Argyl High School, and Dr. Clayton Wotring of Cedar Crest College—awarded first prizes to Mary Jane Temos and Herbert Engler; and second prizes to Barbara Kleppinger and Roger Seremula. Mentally we reserved prizes for all our juniors and their coach, Miss Arlene Kocher.

The Junior Girls' Ensemble, a clarinet quartet, and such featured soloists as Esther Gardy, Marilyn Procanyn, Frances Lisetski, and Elsie Dettmer helped to make the evening a complete success.

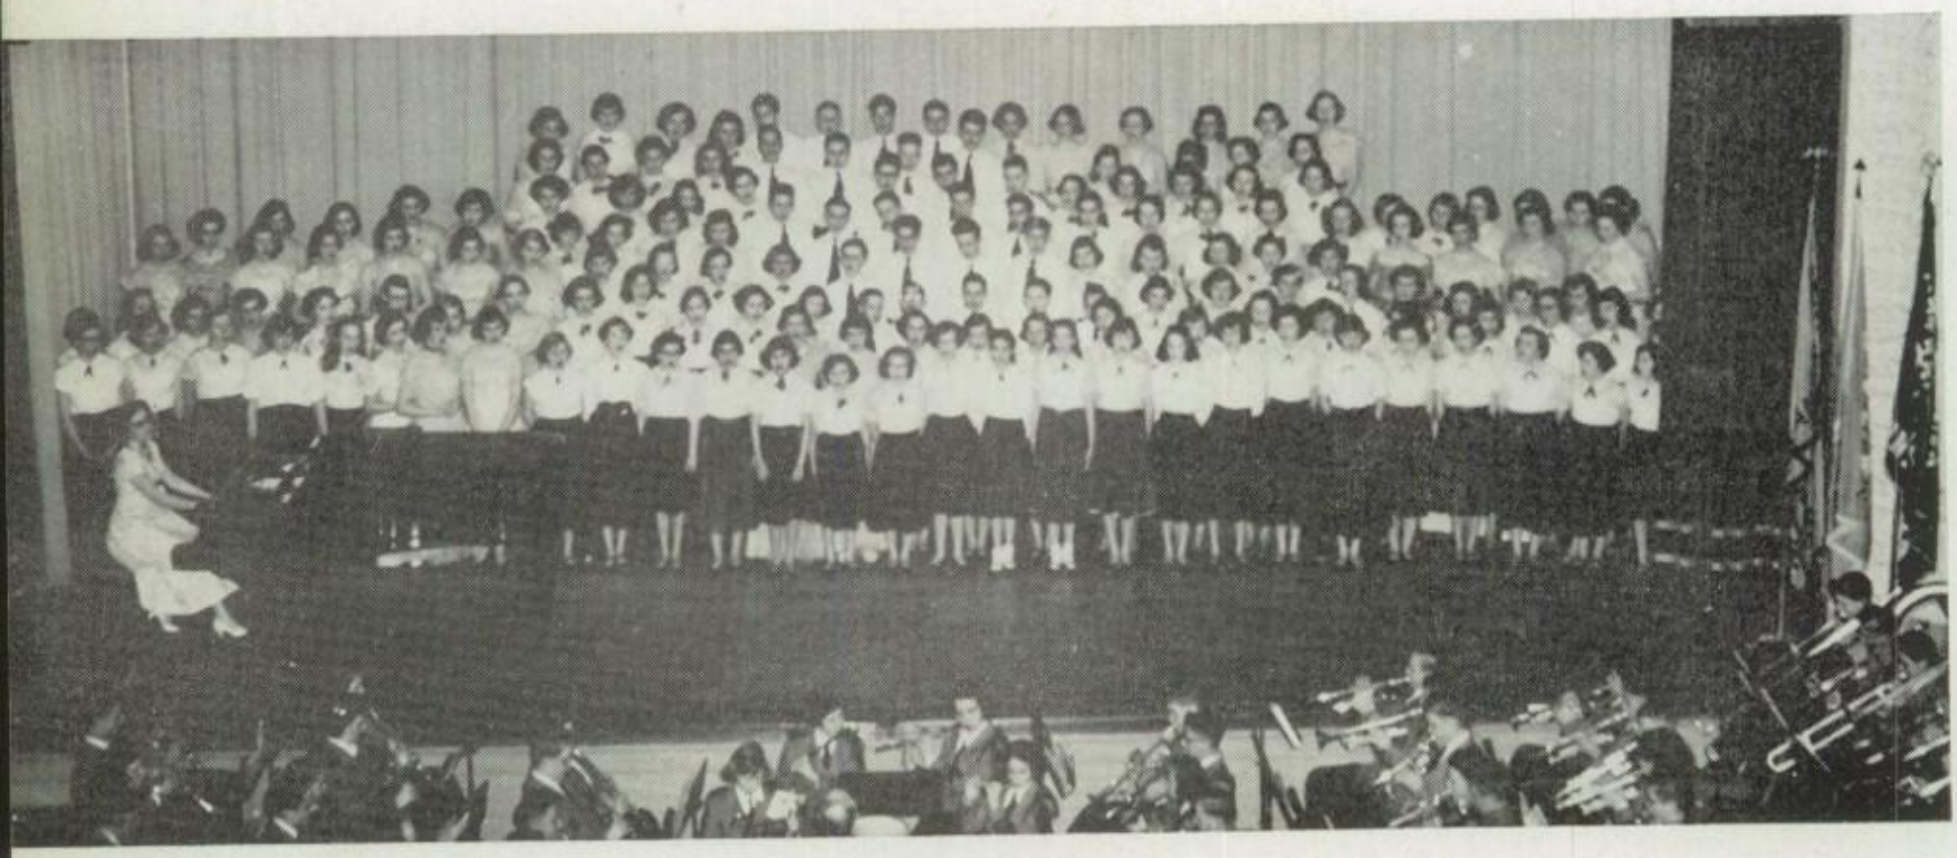
Gusty March Winds Blow Spring Concerts,



Merry melodies echoed and re-echoed through N.A.J.H.S. on the night of March 4 as the combined Junior High School Musical Organizations presented their annual Spring Concert.

From the first thrilling strains of our National Anthem and the "Grand March: Sons of Liberty" to the finale, "I Hear America Singing," a capacity audience was treated to an outstanding junior high school performance.

Highlighting the Junior High School Band program were excerpts from Tschaikowsky's *Fifth Symphony*. Bath Annex instrumentalists drew applause with their excerpts from *The Barber of Seville*.

The gentle Negro spiritual, "Were You There," and Handel's ever lovely "Where E'er You Walk" were favorites on the vocal program.

Choruses, bands, trios, quartets—all were conducted by our excellent directors—Mrs. Thelma Santee, Mr. Leon C. Kuntz, and Mr. James Kocher. We say thanks to them and our junior musicians for a night of lovely music.

Something new has been added! The debut of our Accordion Ensemble.

Standing—Wayne Oplinger, Clayton Ott, Richard Tarnow.

Sitting—Judy Christman, Jo Ann Mesics, Patricia Lahuta.

Absent for the picture was Jimmy Scheffler.

Essays, Panel Talks, and Adventure Our Way

A chemistry essay contest sponsored by the Lehigh Valley Branch of the American Chemistry Society brought honors to four seniors. Margaret Graver received honorable mention; Rosemarie Santee, second prize; Juliana Barna, first prize; and Richard Ziatyk, honorable mention.

New records are set by our secretaries—Jean Bundra with a record of 70 words per minute in typing and Helen Tanzos with the excellent record of 140 words per minute in shorthand. Both girls will represent us in the Bloomsburg Penna. Business Education Contest.

A panel of experts brought us one of the most interesting assemblies of the year—a study of the local assessment program. Besides acquainting us with problems connected with re-assessment of properties, Mr. Lee, who is in charge of mapping our county, introduced us to the new science called photogrammetry.

Standing—Mr. Howard Hess, Mr. Norman Piel, and Mr. E. A. Boyer.

Seated—Mr. Herbert Lee, Mr. Fred Parsons and Mr. Dana Milligan.

N.H.S. students and their adviser, Mrs. Thelma Santee, made front page news in the *New York Herald Tribune* and found themselves radioed round the world on International News Service. All this because thirty-five of our music students insisted on nothing but the best when they reserved $8.00 orchestra seats in the Metropolitan Opera House for their first opera, *The Barber of Seville*. The Met had bonuses for them, too. They were the guests of the "Opera on the Air" program and were conducted behind the scenes by Mrs. Herbert Witherspoon, president of the Metropolitan Opera Guild. Here was "long hair" with thrills.

For all of us it is a time of surprises as new student talent is uncovered in our weekly assembly programs.

Nimble Fingers Wield Pen and Brush

Tubes of paint, a bit of imagination, a little retouching, and presto—a picture! Paints, pastels, crayola, charcoal, fresco, and the dignified oils are part of the media in which we work in art classes under the supervision of Mr. Kleppinger. Ceramic pottery, metalware, and silk screen drawings find a place, too, on April 21 and 22 in our annual art exhibition.

Mrs. Herrick's fledgling artists from kindergarten through sixth grade help to transform our gymnasium into a veritable fairyland.

Igloos, Indian villages, impressive wall murals are all part of the work of our elementary craftsmen.

There Will Be Memories Of Many Good Times And

A new feature in our Christmas assembly this year was the surprise visit of our alumni. Their thumbnail sketches concerning college life were both interesting and informative. Encore, please!

"Wanna bet?" Well, they did, and Editor James Robert Longshank and Calhoun Bartholomew collected from S. Gasper, D. Haftl, and P. Dech. The bet? Calhoun raised a pair of healthy sideburns—died green! Ugh!

The pride of N.H.S., the Konkrete Kids, has been synonymous throughout the years with fast football. The Black and Orange has copped 15 football titles, 6 consecutively from '45 through '50 inclusive. Since 1925, when the grid squad was first organized at N.H.S., we have come a long way so that even in years when the kids have been known to be lacking in material, they have shown themselves hard to beat. Consequently, they command the respect of even the larger high schools neighboring our community. The Konkrete Kids have become a symbol of hard fighting, fast football teams.

Campaign To Emerge Gridiron Champs.

N.H.S. opened the pigskin season on September 25 by meeting the *Phillipsburg State Liners*, a class A competitor, for a non-league game. The odds were against the Kids, but the glare of the arc lights showed snappy playing on our part. Two TD's for Mishko, one each for Ifkovits and Reimer, and a P.A.T. for Oplinger gave us a 25 count. The spectacular running of Fritz Cutsler helped give the Garnet and Grey a final score of 40.

Not discouraged after a losing start, the Kids opened their league competition with a decisive 53 to 6 victory over the *Emmaus Green Hornets*. Jim Oplinger, Keith Newhard, and Rich Reimer were each credited with a pair of touchdowns. John Lucky's run on a pass from Rich Chabak, and Paul Mishko's dive play provided the other TD's. Two extra points by Jim Oplinger and three by Rich Reimer rounded our score at 53 before Dennis completed a series of passes in the last minutes to score against our J.V.'s.

Next the Konkrete Kids traveled to Whitehall to compete against another traditional rival, the *Whitehall Zephyrs*. After Rich Reimer broke loose on the first play from scrimmage carrying the ball to the 5 yard line, Mishko drove through to pay dirt. The missed conversion proved costly for us since Merkle and Kratzer racked

up two quick TD's in the second half, leaving us a touchdown and a point behind. Reimer ran half the field for our second score, leaving the game in Oplinger's hands as he lined up for the place kick. "The Toe" came through in the clutch with a perfect boot, and the game ended in a 13-13 tie.

Then came the *Slatington Slaters*. In the first 8 minutes of play Mishko went over for 2 TD's and Reimer for one. Two extra points via Jim Oplinger hastened the score to a quick 20 to 0. Slatington made an amazing comeback in the second half as they racked up 19 points. Excitement grew but the Kids held on and the whistle ended a tough game in Northampton's favor 20 to 19.

On the following Saturday rain dampened the crowd but not the spirit of the Kids when they traveled north to gain their third win by shutting out the *Palmerton Blue Bombers* 26-0. Mishko chalked up 3 TD's and Ifkovits snagged Oplinger's pass to run for the fourth score. Jim "The Toe" Oplinger placed two conversions between the uprights.

Oplinger plays "Ride 'Em Cowboy" in the Whitehall game.

When *Lehighton's Maroon and White Indians* came to town, they couldn't have expected a 34-0 defeat. Our hustling halfback, Paul Mishko, scored four times with excellent line blocking by Gorsky, Fields, Hayne, Dech, Miller, and Christman, who helped hold Lehighton to only a yard gained by rushing. Robert Novogratz scored the fifth time by recovering a fumble and running 20 yards to the goal. The educated toe of Jim Oplinger kicked four conversions.

Preparing for what promised to be their toughest game, the Kids really out did themselves when they plowed through the unbeaten *Stroudsburg Mountaineers* to a score of 27-0 before 3000 spectators who packed the Northampton stadium. Mishko rammed into the visitors' end zone minutes after the opening kickoff for the first of a pair of TD's. Reimer and Oplinger accounted for the next two scores, with Oplinger booting three P.A.T.'s. The Mountaineers' backfield, headed by Garaventi, could do nothing against the N.H.S. defense led by captains Christman and Gorsky. Thus, their fifth loop win, left the Kids with one more game to win to clinch the title.

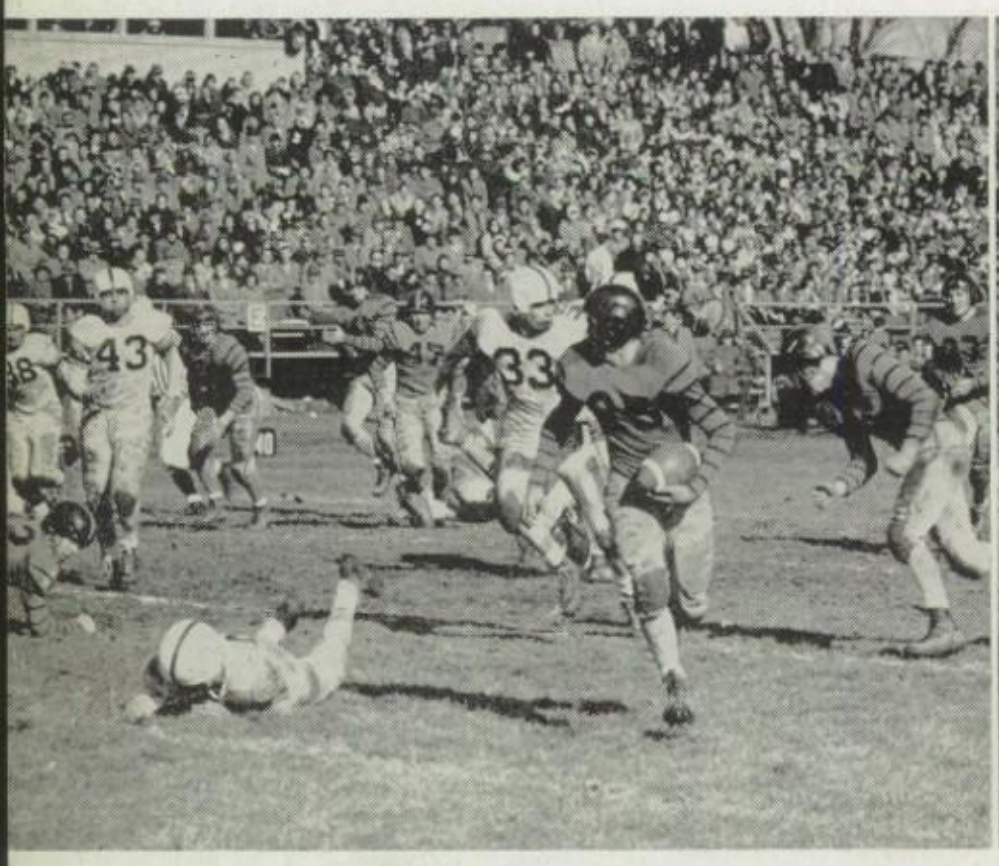
Then came the season's favorite match as team, cheerleaders, band, and spectators assembled at the Muhlenberg Stadium for the Turkey Day battle with *Catasauqua's Rough Riders.* Reimer opened the scoring on the first play with a 67 yard sprint. Bruchak, a surprise starter in the backfield, worked from quarterback, while Oplinger switched to left half to replace Mishko who was side-lined because of an injured leg. Oplinger and Bruchak each racked up a pair of TD's and Szep crossed into pay dirt once. Oplinger rocked up the score with a place kick for the Kids. Bretz played a remarkable defensive game for the Brown and White, but the N.H.S. gridders proved too much for them. The game ended with a 37-0 victory for N.H.S. and another L.V.I.A.A. trophy in football.



Touchdown happy again!

Hail to the chief!

No one will ever forget the amazing skill and drive power used by Paul Mishko in his three football seasons at N.H.S. In '53 he took the league scoring record and was defeated this year only by a few points by Schleicher of Slatington. However, Mishko played only 6 and one-half games as compared to Schleicher's 10.

It takes true skill, experience and know how to lead our teams onward to cop 11 championships out of 15 seasons of coaching. Al Erdosy's efforts throughout the years deserves indisputable recognition, for it can be truly said that he is the heart of football at N.H.S.

They also serve who *sit* and wait!

The opening of the basketball season saw a 60 potential answer the call but as the season progressed, a choice of 28 men were retained to complete both the Varsity and J. V. squads.

The Varsity squad, unlike former years, was heavily laden with seniors, who luckily were held over from the previous season. Because of this a good year was anticipated. But keen competition greeted our Black and Orange basketeers as they bounced into a season of fast ball handling under the able coaching of Mr. Peter Schneider.

First on the schedule was a exhibition thriller with the *Coplay Wildcats* which ended in a 69-67 victory for our *Konkrete Kids*. Suto stormed through with 18 points, keeping our colors flying high. In the next game it took the 27 point drive-in skill of Keith Newhard to defeat the *Alumni* who made a valiant but futile stand in a 62 56 battle.

Sparked Our Husky Hardwood Hoopsters

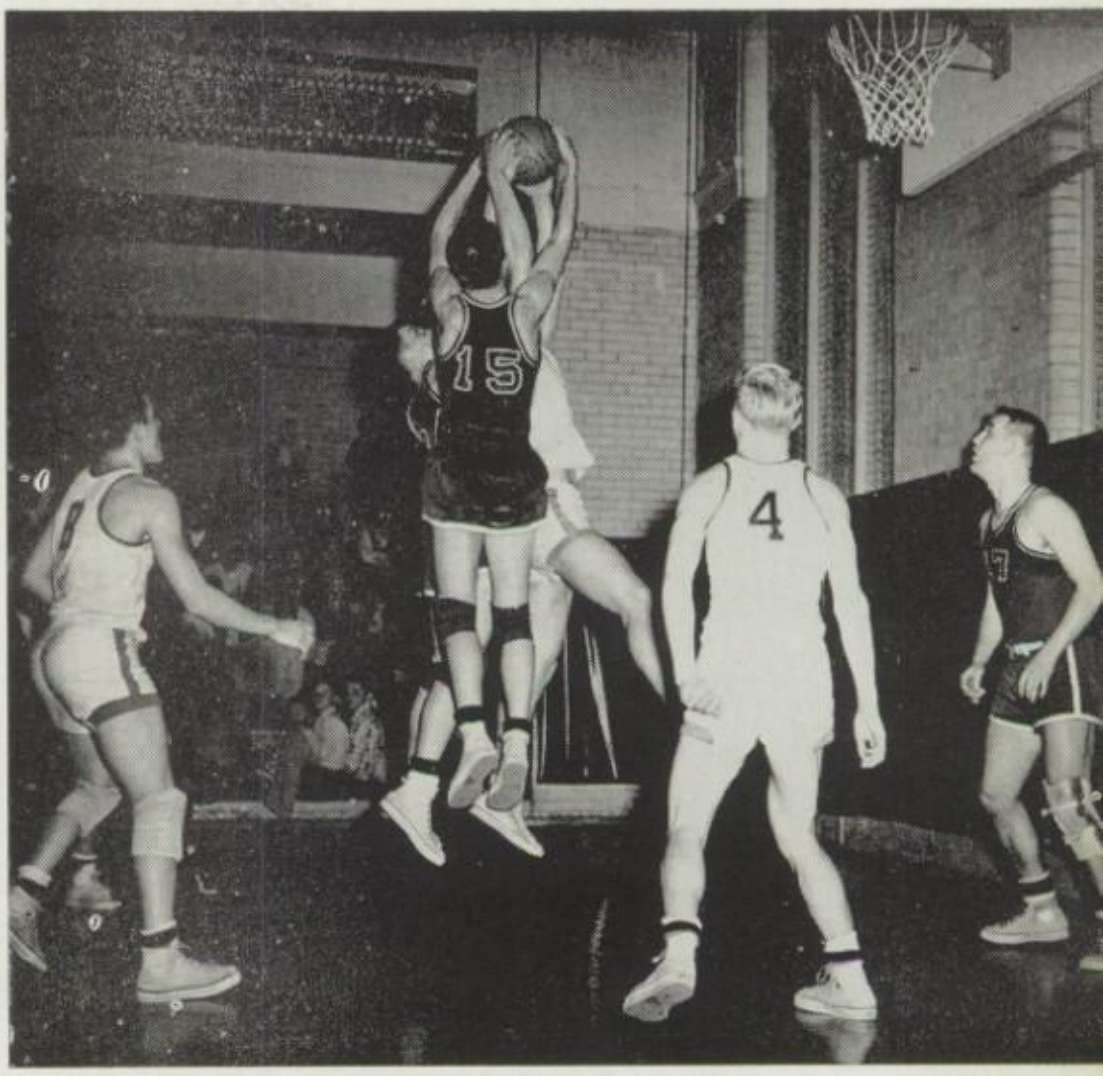
As we entered the tournaments, we found the basketeers traveling to Slatington for a game with *Weatherly*. Gorsky's fancy ball handling netted 18 points and helped us to 62-47 victory.

Next the *Slatington Blue and White* nosed us out 60-56. In a consolation match we outclassed *Lehighton* 52-47 while Suto and his expert dribbling got past the *Indians* for 17 points.

The league competition got under way when *Slatington* met and defeated us on our home court 67-57. Keith Newhard racked up 14 points in a valiant attempt at victory.

At *Palmerton* our boys came up second best again when the *Blue Bombers* slipped in with 61 to our 48. Our luck didn't change as *Catasauqua* accounted for 69 points over our 61 even after the hard fighting of Newhard and Csencsitz, each tieing for honors with 22 points.

Better days were soon to come, and our next game saw *Lehighton* lose to the tune of 54-44. Again Newhard, with his deadly hook shots, paced our team with 26 points.



Sky high after that ball.

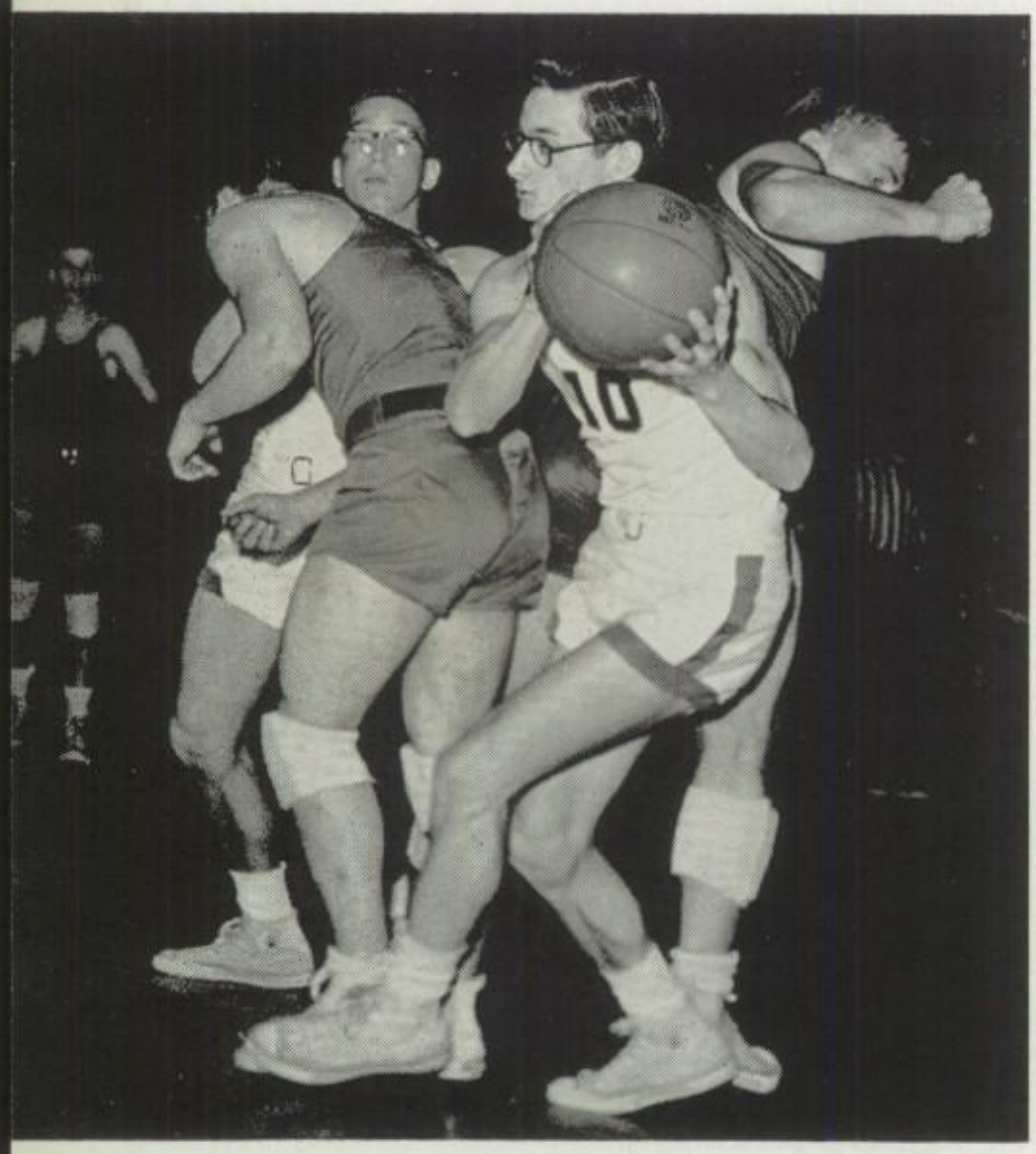
Csencsitz blocks Fritzinger of Palmerton.

Encountering *Stroudsburg*, the Kids again met trouble as they found themselves downed 56-52.

Now the *Emmaus Green and Yellow* took a tumble as N.H.S. edged over them 56-52 with Csencsitz scoring 21 points. Trouble prevailed at *Whitehall* when the *Zephyrs* netted 80 to our 50. Newhard was credited for 25 points.

Slatington again slipped past the Kids with a 67-59 record, and the *Palmerton Blue Bombers* returned and took with them the better of a 40 to 37 score.

Our losing streak was finally ended when we met *Catasauqua* on our own court. Csencsitz and Newhard scored 54 of our 68 points compared to 63 by the *Rough Riders*. Here Newhard set the record this season by scoring 29 points in one game.



Larceny attempt fails against Amato.

At *Lehighton* the Kids didn't quite make the goal with their 47-44 loss.

Now back on our own court Northampton fans went wild as *Stroudsburg* took a 67-49 beating. Next *Emmaus* suffered defeat as the Kids pushed through a 66-58 score.

In the final game, which turned out to be a tough one, *Whitehall* took us 81-58.

The names of Keith Newhard and Rich Csencsitz in the high scoring list proves their outstanding ball playing.

Contributing greatly to the team this season was the great ball handling of Don Gorsky, the lay-out shots of Ed Bruchak, Eugene Suto's baffling dribbling and faking, Jim Oplinger's deadeye shooting ability, and Frank Szep's drive-in shots.

The season ended with 5 wins and 9 losses in league competition, but the N.H.S. basketeers gave their opponents keen, sportsmanlike ballhandling all the way down the line.

The 1953-54 basketball season saw The Northampton Yearlings come up with one of the finest group of basketeers in the history of the school. Coach Robert Crawford used a hard running and driving combination featuring Gassler, Simcoe, Kuntz, Hoffman, and Shimer. Supporting these were sophomores Miksits, Kotch, Henits, Wunderler and Bollman along with freshmen Reimer, Feidler, Suto, Amato and Guss.

Demonstrating explicitly that team work and cooperatoin are vitally necessary for success, the young basketeers lost only one league game this year and went unbeaten on their home floor to claim the mythical Junior Varsity Championship.

Ed Gassler and Jerry Simcoe led the scoring, both hitting over 230 points for the season. They established five new records this year and ended the seasor with a 13-1 league record and an over-all record of 15-4. Congratulations to our fine junior hoopsters and Coach Crawford.

Physical Prowess And Wholesome Entertainment

Gymnasium rafters rang in the month of May as a busy athletic department introduced full time rehearsals for the 1954 Gym Exhibition.

As in past years several hundred energetic gymnasts, under the direction of Coaches Helen Wanisko and Albert Erdosy, developed drills, dances, and various routines to thrill a capacity audience on the night of May 20.

Once again calisthenics, folk dances, tumbling, pyramids and apparatus drills figured in the program, along with the slap-happy clown acts. Our photographer managed to snap effervescent athletes in early rehearsals for the big show.

As welcome as the song of the robin was the call issued by our new girls' softball coach, Mrs Helen Wanisko. Holdovers from last year's team who reported were seniors Joan Kremus, Shirley Shimkanin, and Jane Spanitz, From the junior ranks came Judy Miller, Frances Lisetski, Mary Ann Bruchak, Nancy Miller, Joyce Kohler, Gail Haldeman, Caroline Billy and Gloria Shisler, while Jayne Kuntzleman and Dolores Moll represented the sophomores.

Trying for a berth on the team were seniors Kathryn Roberts and Margaret Graver; one junior, Mary Labyach; sophomores Betty Reph and Ruth Uherick; and freshmen Joy Fox, Isabelle Lapp, and Judy Santee.

Others are expected to report after other activities are completed. The team's outlook is very promising and we can expect a good record for the season.

A tentative schedule is being arranged with the following schools: Whitehall, Coplay, Catasauqua, Emmaus, Slatington, Palmerton, Allentown, Bethlehem, Easton and Lehighton.

An eager team of wiry Black and Orange matmen greeted the '53-'54 season with four experienced varsity men and a host of up and coming potentials. Lost via graduation were District Champions John Lawrence, James Hankee, Paul Kulp, and David Laury along with formidable James Lawrence, Paul Billy, and Alfred Bartholomew.

Coach Harry Wall excelled his usual best as he nurtured the varsity team onward to cop 40 undisputed pins over the opponents' meager 9 within the 12 match season.

Ralph Wagner trained what was to become an undefeated junior varsity with 8 wins to its opponents' 0 and a point ratio of 124 to 43.

Commencing the season with a royal send off was a decisive 41 to 8 win over *Bethlehem Catholic*. Highlighting the meet was a body press

pin by 95 lb. Richard Santo over Wilson in 1:52, and another 'quicky' by 185 lb. Bruce Hayne in 0:47.

Next in line to taste stinging defeat was the *Nazareth Blue and White* in a skirmish which ended in a 45 to 5 rout. Northampton fans cheered as a record 0:16 pin over Shupp was set by Richard Fehnel. While later that same evening 112 lb. Donald Santo forced Beeck's shoulders to the mat in 1:55 using a bar and chancre.

Again the *Bethlehem Catholic Hawks* were set back. This time on their own mats as the Konkrete Kids won by a 42 to 8 score.

Up to this point the future seemed bright. Then came the *Easton* match, and even after 145 lb. John Meyers pinned Schaffer in 5:27, the Northampton fans were anticipating victory only to accept a hard fought 24 to 21 defeat.

The *Bethlehem Hurricanes* came and went, taking with them a 29 to 10 win and although the Kids' spirit was dampened, the cloud of gloom was soon to disappear.

In the *Phillipsburg* match the N.H.S. lineup was revised with Micio moving up to 138, but he came thru with a 6-0 decision. A 4-2 decision by 145 lb. Edward Keglovits over Harrison helped pace Northampton to a 29 to 9 win.

Enthusiasm rose when the following week *Allentown* was handed a crushing 39 to 8 setback with the help of Steve Micio's fast 0:51 reverse bar and body press pin over Stauffer and a 1:17 pin by Gene Laury over Ruth.

Again *Nazareth* made a fruitless attempt at victory and the Kids stormed to a valiant 37 to 6 success. Here it was Reds Christman's turn to

show his talent as he racked up a 1:18 pin over Fox with a beautiful three-quarter nelson and leg trap.

The *Easton Red Rovers* returned for the second time, edging out the Black and Orange with a close 22 to 17 win.

In the best match of the year at Bethlehem the locals trailed 13-0, stormed back to take a 19-17 lead, trailed 20-19, and then in the final 20 seconds of the HW bout Bethlehem 'served it up' for a 23-19 win.

In the following match the rough and tumble men took the *Allentown Canaries* for a merry 28 to 11 ride. Willard Kulp drove home a decisive 3-1 decision to help insure the victory.

In the home stretch our muscle men were fighting hard. *Phillipsburg's Garnet and Grey* proved to give no resistance as Bob Meyers took Barna with a keylock pin in 3:05, and the match ended with a merry 29 to 11 win.

All twelve matches completed, we now calculated the results. Northampton placed third, beaten only by Bethlehem and Easton, in a close competitive race. We led the league with 357 points to 163 points scored against us. The graduation toll in June will take: Laury, Christman, Haynes, Meyers, Bartholomew, Dech, and Snyder.

In individual standings we discover two undefeated men: Steve Micio with 12 wins to 0 losses and Bob Meyers with 10 to 0. Probing deeper finds Gene Laury's record at 10 to 2 and John Meyers 9 to 2, Henry Fujita 7 to 2, Reds Christman 8 to 3, Eddy Keglovits 6 to 3, Donald Santo 7 to 5, Bruce Haynes 5 to 5, Richard Fehnel 4 to 4 with 2 ties, Willard Kulp 5 to 5 and Richard Santo 3 to 3. No regular varsity men lost more matches than they won.

Districts netted us but one champion, Steve Micio, who went on to win the regional title. From there he battled his way into the state finals only to accept an 8-4 setback which netted him second place after 17 consecutive season wins. Steve's only comment—"Next Year!"

Dick's War Club

With the coming of spring, Wolf Field teems with action as the crack of the bat announces that baseball season is in progress.

Veteran players returning for another year of infielding include: Ronald Meckes, Ed Bruchak, and Dick Schwartz. Also striving for positions are Ray Reimer, Rich Santo, and Phil Bollman.

Filling the outfield positions we have veterans Frank Szep and Rich Reimer. Other contenders include Charles Mann, Sticks Eisenreich, Stephen Kotch, and Karl Wunderler.

Rounding out the pitching staff are hurlers Jim Oplinger, Bob Druckenmiller, Frank Ifkovits, Reds Kleintop, Pee Wee Newhard, Bob Cherry, and Charles Hoffman, with catchers Reds Christman and Charles Shimer.

When questioned as to the potential and how each player was shaping up, Coach Mike Lisetski made this statement: "We don't place much emphasis upon individual ability but rather upon the team as a whole and its players' ability to work well together as a team."

Well put, Coach Mike, and with this in mind we anticipate a fine baseball season.

Row 1—D. Lutte, M. Bendeckovits, R. Chabak, R. Csencsitz, D. Salters, R. Chabak, H. Engler.

Coach William Garret found himself in the midst of a young inexperienced group of tracksters this year. The single senior, Rich Csencsitz, competed in the shot-put, discus, and high jump events.

Representing the Junior class we had the only veteran trackster, Raymond Leindecker, in the pole vault events. Dale Salters and Don Lutte led in the sprints, Rich and Ronald Chabak competed in distance races, Ben Amato in high jump, and Herb Engler in various field events.

Sophomores Gassler, Phillips and Waylen plus freshmen Sedora, Gougher, Luciano, Hertzog and Laub are promising underclasmen.

In spite of the lack of veteran cinder beaters, the track boys are working hard, and with a little luck we can expect a fine record this year.

Preparing For Industry

A definite asset to future industry is our reserve champ, Marlene Smith, who won the third place silver medal award in The Eighth Annual Lehigh Valley Science Fair.

Marlene's textile projects involved the physical and chemical testing of fabrics made from plants, synthetics, animals, and minerals.

As reserve champion, in competition with 119 high school girls, she received a gold medal and fifty dollars worth of scientific equipment. In addition Marlene is now eligible to take the Cedar Crest scholarship examniation.

Here's success to our future industrial chemist.
